TRANSFORM4EUROPE TRAINING PROGRAM

On the 15th of April, doctoral students are invited to attend the "Transform4Europe" training program titled "How to make science more engaging and sociable?". The training will be in English on the MS TEAMS platform.

[Information and registration](#)

MIDTERM RETAKE

Having received a negative midterm mark (less than a 5) or having missed the midterm due to a reasonable excuse, you can retake it once for free. However, it cannot be later than 3 weeks after the original midterm date. If there are multiple midterms scheduled for the course, you can only retake the one with the highest value.

APPEAL

When disagreeing with the professor's given mark, you have the right to submit an appeal to the dean of the faculty at which you study in or to the chancellor of the academy, following the Appeals Procedure approved by the Rector. You have the right to submit your appeal within 5 business days after the mark is published on the Student Portal.

Student portal

CONNECTION WITH THE ACADEMY CAMPUS

Bus number 18 now has a more frequent schedule. VMU SA managed to achieve real results, and as of March 12th, the schedule for the 18th bus route has been supplemented with ten new route times. We hope that these newly added schedule times will better the daily life of our community.

LANGUAGE TASTER

From April 5th to the 22nd. Vytautas Magnus university's The Institute of Foreign Languages (VMU IFL) invites to attend now a tradition language taster. The aim of the event is to introduce less known and rarely taught languages.

TRIP TO ITALY AND SLOVENIA

Are you searching for broader growth opportunities? You can use this perfect opportunity to acquire new knowledge, make new connections, and improve the most important skills at the “Transform4Europe” Mobility Week in Italy and Slovenia. The events will take place from May 20th to the 24th in Trieste (Italy) or Koper (Slovenia). The registration will be open until the 7th of April.

During the Mobility Week you can choose one out of eight courses for which you will be given 3 ECTS credits. T4EU will partially cover your travel and accommodation expenses.

SUMMER COURSE IN GERMANY

From July 29th to the 7th of August. VMU and other „Transform4Europe“ alliance universities students are invited to attend a summer school in Germany “European Summer Course 2024“. The registration will be open until April 15th.

The summer school will be focusing on European Union politics, law, and economics. During the summer school visits to Strasbourg, Luxembourg, Saarbrücken, and Trier are to be expected.
